Mr. Frank J. Jutrash,
The Milwaukee Radio Amateurs' Club, Inc.,
601 Enterprise Bldg.,
Milwaukee, Wis.

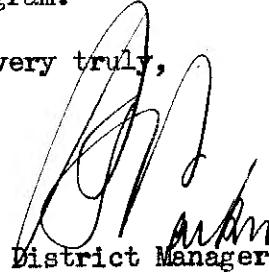

Dear Sir:

Your letter of April 6th addressed to our New York Office has been referred to the writer for attention.

We do not seem to have record of your previous telegram, making inquiry with regard to a speaker on your Milwaukee Radio Amateurs' Club program May 25th and 26th.

We have a local representative in Milwaukee, namely, Mr. G.R. White, who we feel under ordinary circumstances would be qualified as a speaker for the occasion which you mention. We are accordingly referring your letter to Mr. White with the suggestion that he get in touch with you and if mutually satisfactory, arrange to appear on your program.

Yours very truly,

G.R. White
District Manager.
